

COLD BREW & NITRO COUNTERTOP SYSTEM

Intake Hose O-ring Replacement Instructions

Nestlé
Professional
Solutions

Below are step-by-step instructions on how to replace an O-ring located on either end of the Cold Brew & Nitro Countertop System's Intake Hose dispense tip.

Intake hose dispense elbow, O-ring and O-ring groove.

Place O-ring over the tip of the dispense elbow.

Roll the O-ring over the dispense tip...

...until it comes to rest in the O-ring groove.
