

Bring more convenient beverage experiences to the office

Today's workplace beverage experiences must deliver convenience for consumers in a way that doesn't add operational complexity. This simple, touchless brewer makes delivering a variety of delicious and fresh-brewed drinks convenient for everyone.

Coffee in the workplace has shown to **increase productivity**¹

¹MDPI, "Coffee in the workplace: a social break or a performance enhancer?" July 2021

Self-serve, premium beverages

Serenade® Single-Cup Brewer

Serve the freshly brewed Starbucks® whole-bean coffee that your employees love, in addition to other beverage favorites, with smartphone ordering.*

How it works

1. Employees scan the QR code on the screen
2. They follow the prompts on their smartphones
3. And enjoy!

Touchless payment options are also available.

BUNN® Premium Self-Serve Solutions

Bring convenient, self-serve beverage dispensing to existing BUNN® equipment with these add-ons.

BUNN® Touchless Metal Faucet Adapter 12462394	BUNN® Plastic Touchless Converter 12467714
--	---

- Quick solution to change your faucets from hand-pull to push-lever faucet so your customers can engage hands-free
- Simple installation and removal of the adapter enables surface cleaning without engaging the server handle
- Universal design works with all vertical-handled Tomlinson-type BUNN® faucets
- Successfully converts a handle-type faucet to a lever-style cup push
- Easily attaches to three primary server types and is compatible with all BUNN® servers
- Universal design works with all vertical-handled Tomlinson-type BUNN® faucets

*Technology compatible with all smartphones that have a QR code reader, including Android and Apple (iOS 11 and above).

**Software updates that requires a BUNN® technician to visit your site. During the process, you will also register for BUNNlink® and receive an additional 12 months of service on top of your remaining months of coverage.
