

Drive lasting employee satisfaction

with Solutions Lab Workplace Beverages

The workplace beverage experience can enable collaboration and connection when employees choose to come on-site.¹ To improve productivity and satisfy today's modern workforce, employers must deliver a high-quality beverage experience.

¹NCDT Coffee Drinking Trends, 2020

Support your employees with the drinks they already love

Bringing premium beverage variety to your office can help you continue to meet the evolving tastes of your employees while encouraging on-site productivity and positivity.

Engaging self-serve setup with opportunities to customize. Available with fully automated touchless technology via smartphone for added convenience.*

Teavana® filterbags for variety throughout the workday.

Branded paper supplies to help complete the experience.

A roast for everyone
